Re: JIS Landfill – EPA-R2-2013-004055 FOIA Request

Dear Ms. Gelmetti:

I am responding to your Request for Information on the JIS Landfill Superfund Site located in South Brunswick, New Jersey. Attached is a data disc that I have compiled with the information requested. The disc includes records of work performed at the Site subsequent to the 2009 Record of Decision Amendment. I would also like to invite you to visit the EPA Record Center on the 18th floor of 290 Broadway, New York, New York to inspect the JIS Landfill Site file documents. An appointment to visit can be made by calling 212-637-4308. I would meet you at the Record Center to answer any question you may have over the Site file documents you would be going through.

If you have any questions, please call me at 212-637-4263 or e-mail me at wiedemer.ashley@epa.gov.

Sincerely yours,

Ashley E Wiedemer
